BENEFITS OF AN OXYOASIS OXYGEN FACIAL

Oxygen Therapy is the perfect rejuvenation treatment for ageing skin. As we age, oxygen levels in the skin cells decrease, resulting in poor cell functionality and the formation of lines and wrinkles.

Oxygen Therapy replenishes lost oxygen & revitalises the skin, visibly plumping out lines and wrinkles.

The results are immediate but an Oxygen facial continues to work long after the treatment, stimulating cell regeneration.

BRIGHTENS & FIRMS SKIN

SOFTENS AND SMOOTHS SKIN

ANTIOXIDANT RICH & ANTI INFLAMMATORY

REJUVENATES AGING, SUN DAMAGED,
DEHYDRATED OR ACNE AFFECTED SKIN

The OxyOasis facial is suitable treatment for everyone. The Oxyoasis Oxygen Facial can be offered as a stand-alone treatment or can be incorporated into any facial. It deeply hydrates and oxygenates, all in one 20-30 minute session.

AN INSTANT MOISTURE BOOST INFUSED WITH
95% PURE OXYGEN FOR SMOOTHER
& MORE YOUTHFUL SKIN

Skin oxygenation and hydration is improved, plumping and smoothing lines and wrinkles. The lower layers, deep within the skin are provided with much needed nutrients enabling it to repair and restructure itself from the inside out.

The overall result helps skin becomes smoother and more moisturised surface. This is a perfect treatment before events, as the glowing and revitalised result is immediate and long lasting.
